Wayne Weiten

This effective and popular resource, written by textbook author Wayne Weiten to help students prepare for lectures, organize class notes, and review content for exams, is bundled at no additional cost with every new student copy of the text. Each chapter's Concept Chart offers a full-color overview--a detailed visual map of key ideas found in the chapter. These color-coded, hierarchically-organized charts create snapshots of the chapters that should allow your students to quickly see the relationships among ideas and sections.
