Saving Eutychus: How to preach God's word and keep people awake Gary Millar, Phil Campbell
Poor Eutychus might have tumbled off his perch in Acts 20, but it's humbling to notice that what took Paul many hours of preaching to achieve - near-fatal napping in one of his listeners - takes most preachers only a few minutes on a Sunday.

Saving Eutychus will help you save your listeners from such a fate. Written by an Aussie and an Irishman with very different styles who share a passion for preaching the gospel of Jesus Christ, Saving Eutychus delivers fresh, honest, faithful and practical insights into preaching the whole word of God, Sunday by Sunday, without being dull.

"I have read books on how to make sure your sermon is interesting, and I have read books on how to make sure your sermon is faithful to the text, but this book wants your sermon to be both. If I could, I would make this little book mandatory reading for seminarians everywhere, and then urge them to read it a couple more times during the course of their ministry. It avoids cutesy and manipulative suggestions, and makes its practical points while urging integrity, faithfulness, and imagination. Many books on preaching are published every year; this one is a 'must'."

- DA Carson, Research Professor of New Testament, Trinity Evangelical Divinity School, Chicago, Illinois.

"This book deserves to be included in the 'must read' category for preachers... When my congregation asks me to explain the improvement in my preaching, I will ask, "Have you read the one by the Irishman and the Aussie?"

- Alistair Begg, Senior Pastor, Parkside Church, Cleveland, Ohio
