A Map of the Known World

Lisa Ann Sandell

A Map of the Known World Lisa Ann Sandell

This lyrical novel is perfect for fans of Sarah Dessen and Jay Asher.

Cora Bradley dreams of escape. Ever since her reckless older brother, Nate, died in a car crash, Cora has felt suffocated by her small town and high school. She seeks solace in drawing beautiful maps, envisioning herself in exotic locales. When Cora begins to fall for Damian, the handsome, brooding boy who was in the car with Nate the night he died, she uncovers her brother's secret artistic life and realizes she had more in common with him than she ever imagined. With beautiful lyricism, Sandell weaves a tale of one girl's journey through the redemptive powers of art, friendship, and love.
