WARNING: The author is not a real estate agent trying to make the process seem complicated and secretly hoping you will fail so you will hire him. Check, Check, Sold is a step-by-step guide full of checklists, how to's, scripts, templates and tips. In this book, you will get: • 49 checklists to ensure nothing is missed • 21 step-by-step guides to walk you through the entire process • 166 tips throughout the book aimed at helping you sell your house for more money in less time • 8 bonuses giving you more insight and examples Best of all, it is short. This is not a book on why you should sell your house by owner. It does not go into why you should do certain steps. You are given the steps you need to take and different checklists to help you along the way. The content in this book was created through interviewing 50 homeowners selling their home on their own and other real estate professionals. The advice and steps were put into practice and refined by helping others sell their house on their own. Check out the table of contents for the full listing of what you will get. Note that I've also moved the "fluff" to the back of the book so you get more content in the preview of the book. If you have any further questions, jump over to my author page to contact me.
