## **Dreams Of My Mothers: A Story Of Love Transcendent** Joel L. A. Peterson

Dreams of My Mothers is based on the true story of two mothers' transcendent love for the same boy. It is a love that reaches across the globe, propels them and him on a riveting and unimaginable path of transformation and triumph. It is a story that will speak to everyone who reads it; a story that tells us that love alone is not enough. Transcendent love is exceptionally rare, requiring sacrifice beyond normal boundaries, a faith beyond all doubts, and most of all, the courage to dream beyond all hope.

Author Joel L. A. Peterson gives us a vivid and gripping story of a biracial, impoverished boy who, through the love and courage of his mothers, overcomes questions of identity, race, physical handicaps and prejudice to become a new American success story. It touches on all the issues of who we are--as a people, as a nation, and as individuals. Dreams of My Mothers is a story particular to a few, but relevant to all. It is American, yet global. It is a story that feels intensely personal, yet universal in its themes and humanness.

And the triumphs are real.
