Ducati's classic 750, 860 900 and Mille bevel-drive twins from 1971-1986 are now among the most collectable bikes in the world. Although built in relatively small numbers, there are many individual model differences that can make their authentic restoration difficult. This book serves as a definitive guide to authenticity and gives hands-on restoration tips and guidance.

- Detailed description of individual model differences
- Restoration tips and guidance based on years of practical experience
- Correct information for decal place-Guide to colours and paint codes
- Advice on how to find the right motorcycle
- Companion to the Bevel Twin books in the Bible series
