A Full Length 25,000 Word MPREG Romance with NO Cliffhangers! For Mature Audiences Only!

Kayzer:

An Omega dragon from a tribe up north in mountains nearly inaccessible by humans.

One day while scouting, Kayzer was caught by some humans working for a carnival, and made into an act by the master of the carnival, Barnabus.

Kayzer is a rather weak willed and submissive dragon at first due to the rigorous training to be obedient when he was a performer for the Barnabus circus, but once he is freed by Ralph, he begins to feel the confidence he needs to live his own life.

The problem is, he gets pregnant on the way back to the home of his tribe by Ralph, a human who wanted to free him and succeeded. When his tribe sees the eggs made from the union of a human and a dragon, they are repulsed and nearly destroy them.

Kayzer must then make a life for himself and his soon to be hatchlings, and Ralph is the only person who can help him.

Ralph:

A happy go lucky but poor farmer who saved up his extra earnings from his job on the family farm to afford a ticket to the Barnabus Carnival. While there, he was transfixed by the dragon that did tricks and entertained the crowd, so much so that he went behind the scenes to get a closer look, and he was terrified.

The dragon he so admired was tortured and nearly starved when he got up close to him, and so Ralph decided to free Kayzer. He did, and during his journey taking Kayzer home, he realized that he felt something more for Kayzer than friendship as Kayzer showed his human form.

Along their journey, Ralph escalates their relationship from being mere traveling companions to something much more, though he had never anticipated their one night stand would leave him a father. Regardless, he wants to do the right thing, and he vows to stay with Kayzer through thick and thin.
