His Foreign Bride: A Domestic Discipline Romance (Masha and Damien Book 1) Eden Greenwood
A bad boy billionaire teaches his foreign wife about life and love through firm handed spankings and loving discipline.

Masha's parents died when she was young, leaving her to fend for herself in her native Ukraine. She survives by committing petty crimes, and learning to get by on very little. Her only escape comes through her computer screen, where she connects with Damien, who lives half a world away.

Damien lives in a world of luxury and excess, though he can't shake his hardscrabble roots of growing up poor, and being toughened by the city streets. He's an adrenaline junkie, always chasing that high to escape the loneliness of his existence.

Damien always gets what he wants, and when he decides he wants Masha, he buys her a first class plane ticket to California. Masha, in trouble with the law and fed up with her brutal life, boards the plane and goes off to meet the intriguing billionaire and stay in his home.

Damien teaches Masha about the Christian faith, and expands her understanding about life and love. Soon, they are engaged to be married. Masha learns that in order to be the kind of wife Damien desires, she must submit all control to him, letting him set the rules of the household, and to punish her at his discretion. Masha has always taken care of herself and is fiercely independent. Can she learn to obey Damien, and accept her place in this holy marriage?

His Foreign Bride is a standalone domestic discipline romance with an HEA. It contains religious themes, graphic love scenes, light bondage, heart stopping romance, and a man spanking his wife. Intended for adults only.
