Aeschylus

## Persians and Other Plays (Oxford World's Classics) Aeschylus

Aeschylus is a towering figure in western literature, the first of the great Greek playwrights, a dramatist whose work still has the power to inspire and terrify readers and theatre-goers alike. The four plays in this volume demonstrate the full range and depth of Aeschylus's genius. *Persians* is the only surviving tragedy to draw on contemporary history, the Greeks' extraordinary victory over Persia in 480 BC. In *Seven Against Thebes*, a royal family is cursed with self-destruction, in a remorseless tragedy that anticipates the grandeur of the later *Oresteia*. *Suppliants* portrays the wretched plight of the daughters of Danaus, fleeing from enforced marriage. And in the hugely influential *Prometheus Bound*, Prometheus is relentlessly persecuted by Zeus for benefitting mankind in defiance of the god. Christopher Collard's highly readable new translation is accompanied by an introduction that sets the plays in their original context; by comprehensive explanatory notes on the language, structure, and content of the plays, and by an up-to-date bibliography, five maps, and an index.

**About the Series:** For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
