Five fighters. Five styles. One goal. It's the 1990's, the advent of mainstream money fights. They are masters of their respective arts: Kung-Fu, Western Boxing, Sambo, Lucha Libre, street fighting. Their paths cross in the south Texas town of San Uvalde, assembling as a stable of fighters under the banner of a risk-taking entrepreneur. Combining their diverse backgrounds and unique skills, the men form a team united in one goal: glory in the new sport of mixed martial arts. But will their unity and skills be enough to overcome their individual shortcomings, demons, and doubts when they are locked in a cage and tested by some of the deadliest fighters in the world? There will be only one supreme champion, and it will take more than skill, guts, and determination to succeed among a special and ancient breed of warriors: Pit Fighters.
