Scale and Tail: The Lament of Emma Londell Nicole Seraphita

As a lonely Lamia, or snake-girl, living in the big city Emma Londell has long dreamed of the day in which she would finally meet the man of her dreams. Reality, however, has had other plans for her, setting before her a seemingly endless supply of weirdos, losers, and other unsavory types.

Sick of dealing with men who have no respect for her, Emma slinks in a dejected mood to the local tavern where a friend of hers points her towards a young man sketching diligently while paying no heed to the world around him. Intrigued, she musters the courage to give the romance game one more go.
