Showgirls, Teen Wolves, and Astro Zombies: A Film Critic's Year-Long Quest to Find the Worst Movie Ever Made Michael Adams

"Michael Adams's book is great fun! No one intends to make a truly bad movie, but when they do, Michael Adams will be there to watch it...and make it entertaining!" —John Landis, director of *Trading Places* and *The Blues Brothers*

In *Showgirls, Teen Wolves, and Astro Zombies*, film critic Michael Adams embarks on a year-long odyssey to discover the worst movie ever made, which *Mystery Science Theater 3000* star, writer, and director Kevin Murphy calls "disturbingly comprehensive, joyously critical, and the best of its kind." From all-time cult classics such as *Reefer Madness* and *Plan 9 from Outer Space* to new entries to the pantheon such as *Gigli* and *Baby Geniuses*, no genre, star, or director is safe from Adams's acerbic wit and hilarious observations. In the vein of A.J. Jacobs's New York Times bestselling book *The Know-It-All*, and with the snarky sarcasm of television's *Mystery Science Theater 3000* and *The Soup*, *Showgirls, Teen Wolves, and Astro Zombies* leaves no stone unturned. With a foreword by cult director George A. Romero (*Night of the Living Dead* and *Dawn of the Dead*).
