This third edition features even more Disney favorites, including hits from their most recent movie and television releases. 240 songs in all, including: Almost There • Be Our Guest • Beyond My Wildest Dreams • Breaking Free • Circle of Life • The Climb • A Dream Is a Wish Your Heart Makes • Hoedown Throwdown • If I Didn't Have You • King of New York • Kiss the Girl • Rock Star • Some Day My Prince Will Come • A Spoonful of Sugar • That's How You Know • We're All in This Together • When You Wish Upon A Star • You Are the Music in Me • and more.....A "fake book" contains songs written in a concise format that includes only the melody and chords, letting you interpret the song's performance as you feel is appropriate. This is great for quickly learning songs by yourself or with an ensemble. Each song in a fake book only has a single melody actually written out in notes, which is usually the vocal or lead melody. This melody will have the lyrics written beneath the notes, with each word aligned to its corresponding note. Above the notes of the melody will appear the names of the appropriate chords to play - for example, a "C minor" chord would be written as "Cmin" or Cm", rather than writing out all of the notes in those chords as they appeared in the original version of the song. This format is very compact, which is why you will often see fakebooks containing 500 or more songs.
