If your ex is the Prince of Greed, you'd better be ready to raise Hell.

Charlie Henderson is living a lie. Her real name is Muse, she's half demon, and her attempt at a normal life is about to go up in smoke.

When an assassin walks into her life, leaving a trail of destruction in his wake, Muse must return to the one man she hoped never to see again and ask for help. The Prince of Greed isn't known for his charity. The price is high, and the cost could tear her apart.

Trapped between the malevolent intentions of a Prince of Hell and an assassin with ulterior motives, Muse must embrace the lure of chaos at her core—the demon inside her—in order to survive.
