Rory and Alice were the perfect couple, burning with an almost unlimited passion for each other...until they weren't. It was the kind of love you can't replace...or so Alice thought once it was over all those years ago.

But when a cryptic message from Rory leads her to meet with him, she doesn't get the mended heart she wants...she gets a bullet in her head and a dead ex-love.

Left for dead, Alice is rescued by Jacob, a man with his own mission; finding the serial killer that's killing paranormals and humans alike, and stopping them...no matter the cost.

With every new twist in the kinky conspiracy they uncover, Alice and Jacob are drawn deeper into the depths of corruption and deceit...and deeper into one another along the way, sharing themselves with each other in every way possible, and in every place imaginable.

There's nothing more dangerous than two people with nothing left to lose and no rules left to be broken. With sex, death and love on the line, they may find answers, they may find Rory's killer, and they may find a white-hot passion they could never have imagined...but they may also find that not everyone will make it out alive.
