This special Second Edition includes a note from the author and a BONUS chapter at the end, The Collaring Ceremony: His POV (a chapter written from Master's point of view)

On the night of graduation, Brie Bennett offered her collar to the man who'd won her devotion during her time at the Submissive Training Center.

So begins the seductive sequel to Brie Learns the Art of Submission...

The intimate encounters Brie enjoys with her new Master are hot and deliciously challenging. On the flipside, despite her newly acquired skills, she discovers that being a sub also requires maturity, intelligence and willing sacrifice.

Her Master has a tragic past that he has kept hidden. She is unaware that someone is waiting in the wings, plotting to return and rip his world apart. Brie has troubles of her own, including an obsessive Dom who won't let her go, parents who refuse to accept her new lifestyle, and a film that is struggling to see the light of day.

Brie's journey with her Master brings both sweet ecstasy and unbearable pain. Friendships deepen and love grows, even as her life begins to crumble around her. To survive, Brie will need the strength of a love that binds her securely-heart and soul.
