Things Happened for a Reason

Synopsis

Our story starts off with the leader of an all-female gang, The Knockers, planning her final heist. Violetta is done and wants a clean slate. The only way she can see to do this is to risk it all by stealing Superstar Mikah's credit information. Anything else the gang can get their hands on will be a bonus. The best part is that they are unguarded, and the Knockers have just finished testing on their new experimental drug: C.A.S.— a sexual stimulate that not only increases your sexual endurance, sperm level, and libido; but it contains no side effects whatsoever. What better place to test this out?

Colin, Mikah's best friend, is getting married at the same time. He is unsure of his marriage and even more so as his friends tease him. Jonah's wife is a slut, and Mikah's wife is gone for months at the time. Colin's life changes when he is met by a powerful woman named Violetta. How could he have guessed that this woman would be able to make him, break him, and teach him a valuable lesson about life?

Violetta is not the only powerful women in the gang. Helena is Violetta's second in command and best friend. She has a score to settle with Mikah, and why not knock out two birds with one stone? You know what they say. Never mess with a redhead or you will get burned.

All of the characters in this book have met before at different stages of their life. Violetta and Helena could not have come up with the most flawless three-part plan to ruin the lives of Colin, Mikah and Jonah otherwise. Do these guys deserve this to happen to them? What did Mikah do to Helena in Seattle? All these answers and more will be found in the first book of this thrilling erotic trilogy.

This is an erotic book that covers a wide array of fetishes including humiliation, fem dom, and even a little foot action. The book contains are drug references, lots of violence, and crude language; and it is intended only for those who are 21 and older, or a legal adult in your area. Girl In Pink contains material that is not suitable for an underage audience.

From the Editor's Desk

If you're bored with the same old erotic novels, Girl in Pink brings a refreshing change of pace. One part crime caper, one part fetish thriller, this book runs the gamut of suspenseful erotica. Think of it as Fifty Shades of Grey meets Oceans Eleven.

The story follows Violetta, the leader of the notorious gang called the Knockers, on a heist that's meant to be her last. She wants out of the crime game, but needs the money to do so. Equipped with a newly formulated sexual-enhancement drug, Violetta and her crew create misdirection and mayhem in the most sensual of ways.

The story has sex at its core, but the plot moves the steamy scenes along at a delightful pace. Readers that delight in BDSM will find copious amounts in this book; and fem dom fantasies are carried out in spades in Girl in Pink.

This book contains graphic details of a sexual nature, explicit violence abounds, and an experimental sex

drug becomes a core element of the plot. This nature of the mature material in the book is not intended for younger audiences.
