Todd Gitlin

Occupy Nation: The Roots, the Spirit, and the Promise of Occupy Wall Street Todd Gitlin

“[A] much needed book...a compelling portrait of the Occupy movement...that capture[s] the spirit of the people involved, the crisis that gave Occupy birth, and the possibility of genuine change it represents.”

—Eric Foner, author of *The Fiery Trial: Abraham Lincoln and American Slavery*

The Occupy Wall Street movement arose out of a widespread desire of ordinary Americans to change a political system in which the moneyed “1%” of the nation controls the workings of the government. In *Occupy Nation*, social historian Todd Gitlin—a former leader of the Students for a Democratic Society (SDS) who stood at the forefront of the birth of the New Left and the student protests of the 1960s and ’70s—offers a unique overview of one of the most rapidly growing yet misunderstood social revolutions in modern history. *Occupy Nation* is a concise and incisive look at the Occupy movement at its pivotal moment, as it weighs its unexpected power and grapples with its future mission.
