The Consultant Interview (Success in Medicine) Sara Watkin, Andrew Vincent

Covering the whole preparation process for your consultant interview, this is the only book you will need to succeed. Becoming a consultant is the key moment of your career and getting a position can be a difficult, competitive and stressful process. This book presents a medically focused guide on how to prepare for the interview, how to behave in the interview and finally how to put yourself in the best possible position to be appointed in a consultant job.

Starting from acquiring the right experiences, qualities and skills for the job you want, the book covers writing CVs and application forms and the art of selling yourself, as well as the interview and any formal presentation itself. The book is designed to help you prepare for the job over a period of time.

Easy to read and full of practical information, the book includes a series of exercises to help you practice and reinforce ideas and concepts.
