Connected Hearts, Vol. 3: An Alpha Billionaire Romance (The Matchmaker 2 Series) Ellie Danes

The hot new series from Ellie Danes

This is Volume 3 in the Connected Hearts Series

Everything has spiraled out of control. The person I thought most loyal has their sights set on destroying me. The woman I love has run away and my world is crumbling all around me. Money doesn't cure all problems and even now, I'd give it all up just to get back what I once had with Harper.

I'm torn. Who do I believe? The man that claims he loves me or the woman so close to him that claims to know his deepest, darkest secrets and has been trying to warn me to run? My eyes haven't deceived me. I saw his lips on another woman. My mind says run, my heart says fight for him.

Connected Hearts, The Series.

Harper Browning has it all, but it didn't come without struggles. She's put it all behind her and turned over a new leaf with her extremely romantic, good-looking and billionaire matchmaker boss, Mason Asher, but not to the liking of his personal assistant and right-hand girl.

Mason Asher is known for his ability to find a match for anyone, including the hundreds of wealthy clients that pay him handsomely for his services. But when he makes a promise to Harper's best friend, Avery Gains, he's taken on more than he can handle and now risks not only losing his business, but Harper's love too.

Connected Hearts is the follow-up series to **It Takes Two** and can be read as a stand-alone series or you can follow along from the start by downloading the complete series.

*** Connected Hearts is a steamy romance ideal for fans of J.S. Scott, Katy Evans, Lauren Blakely and MS Parker.
