Juvenescence: A Cultural History of Our Age Robert Pogue Harrison

How old are you? The more thought you bring to bear on the question, the harder it is to answer. For we age simultaneously in different ways: biologically, psychologically, socially. And we age within the larger framework of a culture, in the midst of a history that predates us and will outlast us. Looked at through that lens, many aspects of late modernity would suggest that we are older than ever, but Robert Pogue Harrison argues that we are also getting startlingly younger—in looks, mentality, and behavior. We live, he says, in an age of juvenescence.

Like all of Robert Pogue Harrison's books, *Juvenescence* ranges brilliantly across cultures and history, tracing the ways that the spirits of youth and age have inflected each other from antiquity to the present. Drawing on the scientific concept of neotony, or the retention of juvenile characteristics through adulthood, and extending it into the cultural realm, Harrison argues that youth is essential for culture's innovative drive and flashes of genius. At the same time, however, youth—which Harrison sees as more protracted than ever—is a luxury that requires the stability and wisdom of our elders and the institutions. "While genius liberates the novelties of the future," Harrison writes, "wisdom inherits the legacies of the past, renewing them in the process of handing them down."

A heady, deeply learned excursion, rich with ideas and insights, *Juvenescence* could only have been written by Robert Pogue Harrison. No reader who has wondered at our culture's obsession with youth should miss it.

From reader reviews:

Carol Rodgers:

Why? Because this Juvenescence: A Cultural History of Our Age is an unordinary book that the inside of the guide waiting for you to snap it but latter it will jolt you with the secret that inside. Reading this book next to it was fantastic author who write the book in such wonderful way makes the content interior easier to understand, entertaining method but still convey the meaning completely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of positive aspects than the other book have got such as help improving your ability and your critical thinking technique. So , still want to hold up having that book? If I had been you I will go to the guide store hurriedly.

Bert Gomes:

Playing with family inside a park, coming to see the sea world or hanging out with friends is thing that usually you could have done when you have spare time, in that case why you don't try issue that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Juvenescence: A Cultural History of Our Age, you can enjoy both. It is excellent combination right, you still desire to miss it? What kind of hang-out type is it? Oh can happen its mind hangout men. What? Still don't buy it, oh come on its referred to as reading friends.

Benjamin Chambers:

Can you one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Try and pick one book that you find out the inside because don't determine book by its include may doesn't work is difficult job because you are scared that the inside maybe not because fantastic as in the outside seem likes. Maybe you answer might be Juvenescence: A Cultural History of Our Age why because the wonderful cover that make you consider with regards to the content will not disappoint you actually. The inside or content will be fantastic as the outside as well as cover. Your reading sixth sense will directly make suggestions to pick up this book.

Laurie Riley:

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's heart or real their hobby. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Juvenescence: A Cultural History of Our Age can make you feel more interested to read.
