Figuring out where to start is extremely overwhelming when starting knitting. There are so many different needle and yarn sizes. There are different books out there for knitting and this is one of them. This book gives you tips when starting knitting and also not all books talk about the knitting abbreviations but in this book, I guarantee you that you will end up knowing more than what own abbreviation means. In this book, we are going to talk about

- Tools used in knitting
- Tip on knitting
- Proper way to hold your needles
- Techniques on knitting
- Knitting patterns and abbreviations
