Lest We: Stories of Battlefields, Memorials and Remembrance (Short Military Stories Book 2) Allan A. Murray

This book records fifty years of my participation in military commemorations at locations of military significance, especially to Australia, or of significance in the military service of my extended family.

Many photos are combined with my writings to describe these commemorative activities in Australia, Europe, Asia, the Middle East, Pacific and the United States.

Enjoy my recollections of the commemorative activities in which I have participated.
