Promises to Keep (Sylvan Investigations Book 2) Laura Anne Gilman

The person you pass on the street...may not be human.

They are known as the fatae, the various non-human species that make up the Cosa Nostradamus, the magic-using community. And they could be your neighbors, your teachers, your fellow commuters. Your local PI.

Meet Danny Hendrickson: Mother, human. Father...not.

For the most part, Danny's made his own way, straddling the line between human and supernatural in his job the way he does in his life

A man going missing isn't — normally — a troubling case. Even when he disappears off a rooftop. But Danny's new — and magical — partner sees something more in the scenario...and what she sees is deadly. To the client — and to them.
