## **Repossessed (Warlock Repo Man Chronicles) (Volume 1) Shawntelle Madison**

Return to the Coveted universe with a new series featuring witches and warlocks! Supernatural matchmaker Tessa Dandridge knows a little mist here and a little magic there will help reckless werewolves and precocious pixies find love. That is, until her magical Smythe scroll is lost in her repo'ed car and she can't contact her V.I.P. clients. To connect with an important client cavorting in the fifth dimension, Tessa must depend on handsome Rob Shin, a warlock repo man, to enter Limbo and find her Smythe scroll. Rob has money problems of his own, thanks to the bank determined to foreclose on his elderly aunt and uncle's home. Repossessing magic wands and cursed pianos from disgruntled warlocks isn't the best pay, but the Navy SEAL works well as a repo man to pay off his family's debts. Rob's repossession jobs catch up with him when a powerful warlock seeks to end his life for his constant meddling, drawing Tessa in the middle.
