Sex Variant Woman: The Life of Jeanette Howard Foster Joanne Passet

Jeanette Howard Foster was to lesbianism in the mid-twentieth century what out authors such as Gore Vidal and James Baldwin were to gay men. She unapologetically blew the lid off Cold War sexual repression in 1956 with her *Sex Variant Women in Literature*-the first-ever study of homosexual, bisexual, and cross-dressing characters appearing in more than 300 works, from ancient times to the present. Joanne Passet's *Sex Variant Woman* is a fascinating portrait of Foster, who served as the first librarian at the Kinsey Institute before leaving to publish her controversial book. It is also a riveting look into the pre-Stonewall past, the intense sexual repression and persecution endured by homosexuals, the groundbreaking advances put forth by a cadre of activists, and the rise of feminism and gay and lesbian liberation decades later.
