Wicked Stepbrother

Some rules just beg to be broken...

My mother had done some crazy, impulsive things, but she'd never eloped before. Or called me the day after and said *Surprise! Guess what we're celebrating!* I think that gave me a legitimate excuse to show up a little tipsy to the party. After all, if a girl can't let her hair down to celebrate her mother's sixth marriage, when can she?

It turned out this marriage came with something extra. Cole Reegan. A tall, dark, gorgeous, man of my dreams type— who also happened to be my new stepbrother. It might have been wrong, it might have been completely taboo, but it didn't seem fair to let that get in my way. When fate hands you something that perfect, and then tells you it's forbidden, what's a girl to do?

Come closer, and I'll tell you...

This taboo romance contains adult themes, forbidden relationships, and spicy over the knee spankings. Adults only, please.

Rock Star Stepbrother

He makes her heart sing, but he's completely off limits...

Cynthia has a passion for photography and a brand new art degree... but not many job prospects. Her stepbrother, Dean, is a sexy as hell musician in need of a photographer. It's almost like fate has shoved them together to help fulfill each other's needs.

There's just one problem. Their needs go far beyond a few photographs.

Growing up together has made their relationship complicated, and their deep desires completely forbidden. Can they work together without giving in to temptation? Or have years of hidden feelings and a weekend alone finally brought them to a point of no return?

This taboo romance contains adult themes and forbidden relationships. Adults only, please.

My Taboo Bodyguard

There's not another man on the planet I'd rather have guarding my body...

When my regular security service blackballs me because I've chased off one too many of their wimpy bodyguards, I'm in a major bind. I'm a celebrity, after all. I can't leave the house without solid protection.

Then my mom has what she thinks is a brilliant idea. She knows someone who's dependable, qualified, and willing to work right away. Too bad he happens to be the last person I want to spend any time with— let alone all day, every day. My stepbrother, Nick.

I haven't seen him since he left for boot camp and I left for LA, back when we were both teenagers. And we didn't part on good terms. In fact, we haven't spoken in years. But no one knows the real reason why.

It all started with a forbidden kiss that I've never gotten over. Now that we're adults, who knows where it could lead...

This taboo romance contains adult themes, forbidden relationships, and spicy over the knee spanking. Adults only, please.
