The Bond Sampson Davis, George Jenkins, Rameck Hunt

Drs. Sampson Davis, George Jenkins, and Rameck Hunt discovered early in their friendship that they shared a disturbing trait: as children, they navigated dangerous inner-city life without a father's guidance. In spite of this, they escaped delinquency and crime to form the Pact, dedicated to putting themselves on the road to success. Now, the Three Doctors make a new promise: to set aside their resentment, and rebuild the relationships with their fathers—men they barely recognize. Told in alternating voices between father and son, *The Bond* explores the hard lessons of growing up without a father and suggests ways to stem the tide of fatherlessness in communities across the country. Honest, brave, and poignant, *The Bond* is a book for every child and every family.
