The Rage of Achilles

Terence Hawkins

The Rage of Achilles Terence Hawkins

Blood. Guts. Pride. Wrath. The ancient clash of armies outside the walls of Troy is a cornerstone of Western literature. In *The Rage of Achilles*, Terence Hawkins brilliantly reimagines that titanic encounter. His stunningly original telling captures the brutality of the battlefield, the glory and the gore, in language that never relents. Raw and compelling, *The Rage of Achilles* tells the story of Achilles, a monstrous hero, by turns vain and selfish, cruel and noble; of Paris, weak and consumed by lust for his stolen bride; of Agamemnon, driven nearly to insanity by the voices of the gods; and of Trojans and Achaeans, warriors and peasants, caught up in the conflict, their families torn apart by a decade-long war. *The Rage of Achilles* is an exhilarating story that has captured the imaginations of readers for thousands of years restored to immediacy.
