Are you limited in space but still want to plant a garden?

Do you live in an urban area with a small back yard?

Are you motivated to improve your health by planting your own fruits, plants, and vegetables?

GREAT NEWS You can learn all that and much more in the book: Urban Gardening - The Urban Farmer Handbook - How to Grow Beautiful Fruits, Vegetables, and Plants in Any Space

A message from Urban Gardening expert and horticulturist Dane Alexander

Welcome, and thanks for checking out this page. I believe the universe brings us to certain places for a reason and you are here for a reason. I first began with urban gardening around 7 years ago when I lived in the city and had a very small back yard. I knew that I wanted to include more fruits and vegetables in my diet so I began to research and set up my own vertical garden. It was amazing at what I could accomplish in such

a small space. Now I teach Urban Gardening and still practice it today even though I have a much larger back yard to work with. The possibilities are endless!

The Truth is: - You are going to get all my years of research and expertise at a bargain price so that you can apply these techniques and reap the benefits and rewards that they offer!
