A Biblical Approach to Counseling and Therapy

Christian counselors today are faced with the choice of using the wisdom and techniques of the counseling field or simply using the Word of God. The author has a third approach-using the wisdom of the counseling field filtered through and enhanced by the Word of God. Over the years she sorted through various counseling theories and techniques, discarded what did not line up with the Word of God, and held onto those that complemented God's approach to healing. The result is a practical and biblical approach to counseling that brings hope and healing to many.

"Wise as Serpents, Harmless as Doves is a beneficial guide for all Christians called to counsel, including pastors, lay people, and professionals. It is a balanced perspective on how to use God's Word along with secular resources. This guide is a great resource for training lay counselors."

-Dr. Fred Wolfe, former Chairman of the Executive Committee of the SBC & former President of the SBC Pastor's Conference

"This is a book I have enjoyed for its down-to-earth wisdom and straight-to-the- heart biblical counsel. I think this is a must for anyone who wants to help as a biblical counselor or a biblical friend."

-Ed Litton, Senior Pastor, First Baptist North Mobile
